Dear

Dewberry & Davis has been advised that our proposal for the preparation of construction documents for CIA Access Improvements has been found acceptable by the Virginia Department of Highways and Transportation. The contract amendment is scheduled to be presented to the Highway and Transportation Board for approval on August 15. We anticipate a Notice to Proceed immediately following that approval.

Our subconsultant for surveying and mapping, Cervantes & Associates, P.C., is expected to start topographic surveying on and near CIA property as soon as VDH&T notice is received. Please advise of any action that will be required by Dewberry & Davis, or by Cervantes & Associates, in order to have the necessary access to CIA facilities.

Thank you for attending to this matter.

Yours very truly,

Dewberry & Davis

John P. Fowler, II, P.E.  
Managing Principal
